

Dear Nabi Shahak:

On behalf of the Trustees of the Rotary Foundation, we are pleased to inform you that you have been selected to receive a 2014 Rotary Peace Fellowship for studies as part of the Rotary Peace Centers for International Studies in peace and conflict resolution program.

Please note that your selection as a Rotary Peace Fellow is conditional upon your gaining admission to your assigned program at the Rotary Peace Center partner university noted below. It is **highly recommended** that you do not make significant career or personal decisions, such as resigning from a job or selling a home, until you have secured unconditional admission to your assigned Rotary Peace Center partner university. You have been assigned to seek admission to the Rotary Peace Center program at the university listed below:

ASSIGNED ROTARY PEACE CENTER: Rotary Peace Center at University of Queensland
HOST ROTARY DISTRICT: 9600

If you have not already done so, you should start the application process to your assigned Rotary Peace Center partner university immediately. Please refer to the attached welcome letter for center director contact information.

The Rotary Foundation and our university partners considered candidates from all over the world for the Rotary Peace Fellowships in a highly competitive selection process. You should feel proud of this significant achievement. The Rotary Foundation looks forward to a lifelong relationship with you.

Sincerely,

A handwritten signature in dark ink, appearing to read "RCrall".
